Dear Mr. Mathias and Mr. Lennon,

Second Request

During negotiations, you have stated that the layoff, and the shutdown on March 6 at Twinsburg, and April 10 at Twinsburg and Peninsula was the result of cancelled orders from customers.

Please provide the Union all cancellation orders from the previous five years, so that the Union can verify the need for the layoffs and one-day shutdowns.

Please provide a list of all the customers you believe you may lose in the coming months, with a reason for the loss, as the Union will need this information for bargaining purposes.

Also, as we begin discussions of the Union's Health and Safety proposals it is imperative that we inspect the plant to ascertain information in preparing and responding to all facets of the employees health and safety concerns. Please provide dates so that we may inspect both the Twinsburg and Peninsula facilities.

Respectfully,

Rick Kepler
Joint Council 41 Organizer
